Editor-in-Chief, MARINDUQUENEWS

Dear Missioner, Marinduqueno Family and Friends:

The MARINDUQUE INTERNATIONAL, INC, (MI, Inc.) is extending an invitation to you to join a team of doctors, nurses, and volunteers who are going to the Philippines to hold the Mission of Love VI on February 8-15, 2008.

Since 1996, MI, Inc. has implemented five Medical and Economic Missions for the eight Chapters of Marinduque associations in U.S. and Canada. In February 5-11, 2006, there were approximately 120 medical practitioners who performed medical treatments in open public courts to over 6,500 patients and 50 surgical patients at the provincial hospital.

On December 1, 2006, our Province of Marinduque was also hit by typhoon Reming. Typhoon Reming swept through the province of Marinduque with 200 km per hour wind and devastated over 90% of the province's structures and ruined the agriculture and vegetation. In February 2008, we expect over 8,000 medically impoverished townfolk will take advantage of our medical services and medicines.

Please visit our website and learn about details of our mission at www.marinduqueinternational.org.

Sincerely,

Thelma Santos
President, MI, Inc.
